Hello Naivelters!

Welcome to Volume 2 of your weekly update! Our goal is to send these notes out before each weekend to communicate information and updates, and to help us all stay connected! We may also end of having a proper newsletter because there is limited space here for creative stuff and longer content. We're still figuring it out...

In the meantime, if you have photographs or content you want included in a weekly Naivelt Note, please send to me by Wednesday at noon of each week. Thanks! ~ Sarah H2#28

أهلاً وسهلاً

**Please welcome the following new community members to Camp:**

**Hill 2 #34** — Joining Ann Pohl are Dizia Raposo Ferreira/Daniel Miranda and Jesse who just turned 12!

**Hill 2 #30** — Trudy Blugerman/Jeffrey Rubinstein

**H3 #15** — Judy Pocock

**H3 #37** — Vitali Tchauski and children Talin, Michal, and Kenzie Tchauski will be renting Julia's cabin for the season.

**Other Naivelt Notes**

**The Ritz & Lak:** Our communal buildings remain closed until further notice.

**Eldorado Park is NOW OPEN!** However, all playgrounds and play structures, sports fields and amenities, outdoor fitness equipment, outdoor swimming pools, splash pads/wading pools, washrooms, and drinking water systems remain closed and are off-limits to the public for the time being. More information available [here](#).

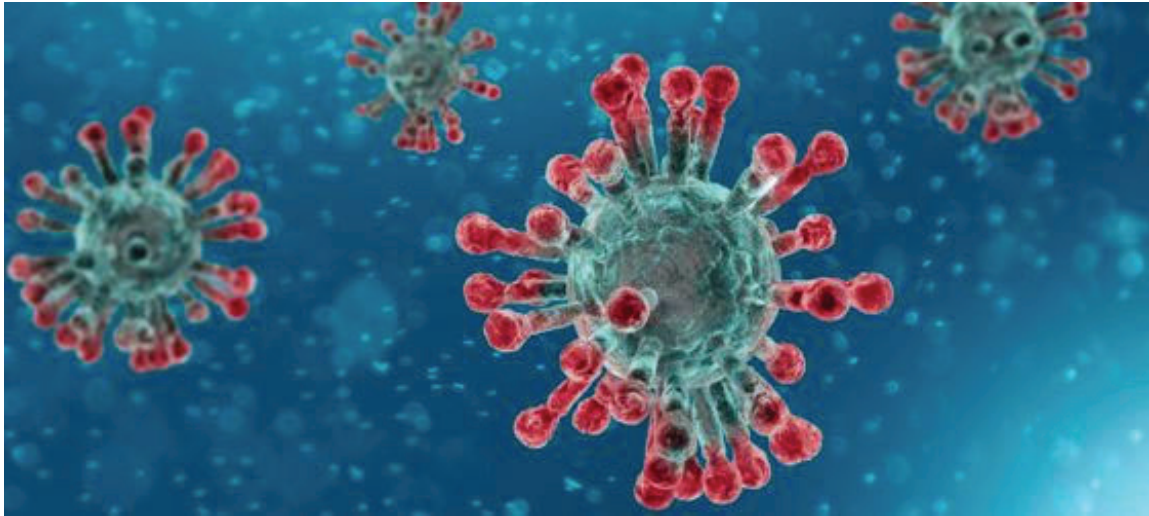

**Speed Limit is 5 km/hour:** Warm weather and the Global Pandemic have brought our community to Naivelt early this year, seeking time outside and the solace of the hills. There are a LOT of kids at camp these days, and some cars are still seen driving too quickly. It's dangerous for all of us! Please drive at a walking pace... about 5km/hour.

**Garbage:** Until we receive confirmation otherwise, garbage and recycling MUST still be taken with you when you leave.

**The Naivelt Dumpster is now FULL!** Please DO NOT deposit your extra garbage/junk/items down by the Ritz. A great deal of volunteer effort has now gone into moving garbage around Camp that should not have been dumped in the first place.

**Fire Pit:** Absolutely no dumping of wood of any kind by the Hill 3 fire pit! It's unsafe, and it's unsightly.

### **COVID PROTOCOLS AT CAMP**

- Sanitize all three gates before and after you open and close them (we hear some people are using gloves; please also use sanitizer or rubbing alcohol).
- Social distance at all times (minimum 6 feet), except with those in your pod
- Wash your hands frequently

### **Camp Committee**

Next Camp Committee meeting: June 17

Next Camp Committee/ECAL check in: June 23

Don't hesitate to email any member of CC with your ideas, proposals, and offers of help. Many hands make light work and volunteers are the bedrock of our community!
